## EPIDEMIC ON WANE; HOPE END IS NEAR

Only seven cases of influenza, were reported to the city hearth department. Saturday as against 2. Sunday Monday few cases were being reported.

Dr. Neumon Taylor, superintendent of the city health department, said Monday that the present is an opportune time to make a combined fight on the disease now that the epidemic is at a low ebb. Carefu observance of ordinary precautions suggested by the department may shable the department to entirely stamp out the disease in Memphis, Dr. Taylor decared

FARM DEMONSTRATION TO BE HELD AT GRENADA

GRENADA, Miss., Dec. 16, (Spl.)—
There will be an important meeting held at Grenada on Jan. 6-11, 1919, at which time a demonstration school will be had under the atispices of the Mississippi A and M. college showing the use of the gas traction engines and other improved farm implements, as well as road machinery. Not only will Grenada county be represented, but the school will include all the counties north of this point on both lines of the railroad, as well as the adjoining counties of Holmes and Benton. In all there will be 15 counties to participate.

The business men's organization of Grenada is deeply interested in the meet and is doing everything possible to encourage the farmers in this section to be present, at least a part of the time if not all of the time. Every county farm demonstrator in the several counties will assist in getting the matter before the neople.

There will be machinery shown that a vast majority of the pecality never saw before. A program

POST QUOTATIONS OF NEW COTTON EXCHANGE

Beginning Monday quotations from the American Cotton and Grain exchange, recently opened for business in New York, were posted by the Memphis Cotton exchange at intervals of 15 minutes each.

The new organization has been operating for some weeks, and its representatives claim to have worked up considerable business in this section, its quotations being posted at a number of joints. Trading is done in lots of 10 bales and multiples of five, and it is claimed they more nearly represent actual spot prices than those of the older exchanges providing as they deliveries of the kind of cotton specified for in the trades without allowing a number of different grades on each contract. outract Quotations for only two active post-

BLUE MOUNTAIN DOCTOR RECOMMENDED FOR D. S. C.

BLUE MOUNTAIN, Miss. Dec. 16.
(Spl.)—Capt Samuel H. Mauney, son of W. V. Mauney, of Blue Mountain, who died of pneumonia in a base hospital in France Nov. I, while serving with the U. S. medical corps, bas been recommended to receive the D.S.C. for his efficiency and fidelity, the highest honor in reach of an American soldier. According to a letter just received here from a brother officer, Capt Mauney remained at his post of duty, saving nothing of his illness and giving his justients his best services, with his temperature at 105 degrees deliberately refusing to go to bed till forced by his comrades and weakness from the fever that burned out his life.

Prior to his enlistment in the U. S. medical corps Capt. Mauney, who was reared and educated here, practiced his profession at Earle, Ark, from which place he entered the army, being rapidly promoted for conspicuous skill and fidelity. His body will be brought back to Hise Mountain for burial.
